United Nations Poster for Peace Exhibition

United Nations Office for Disarmament Affairs has the pleasure to invite you to the Opening Ceremony of the UN Poster for Peace Exhibition, organized in cooperation with the Japan NGO Network for Nuclear Weapons Abolition and with support of the Ministry of Foreign Affairs of Japan.

This Exhibition showcases three winning posters and nine honorable mentions from the 2016 Disarmament Poster for Peace Contest. The aims of the Contest are to raise awareness of the need for nuclear disarmament and to inspire citizens across the globe to add their voices, and use their artistic talents, to promote a world free of nuclear weapons. The twelve posters have been brought along by Hibakusha and Youth Communicators on the 9th Global Voyage for a Nuclear-Free World and have been exhibited in Greece, Mexico, Singapore, United Kingdom and United States.
